Whole Life Insurance can pay money to your family if you die. It can help them with basic living expenses, final arrangements, tuition and more.

How does it work?
You can keep Whole Life Insurance as long as you want. Once you’ve bought coverage, your cost won’t increase as you age. The benefit amount stays the same, too — it doesn’t decrease as you get older. That means you get protection during your working years and into retirement.

Whole Life Insurance also earns interest, or “cash value,” at a guaranteed rate of 4.5%. You can borrow from that cash value, or you can buy a smaller, paid-up policy — with no more premiums due.

What’s included?
A “Living” Benefit
You can request an early payout of your policy’s death benefit (up to $150,000 maximum) if you’re expected to live 12 months or less. It would reduce the benefit that’s paid when you die.

Waiver of Premium
If you’re disabled for at least six months before age 65 and you remain disabled, you won’t have to pay premiums until you recover and return to work.

Long Term Care Rider
You may be able to use your death benefit to pay for long term care. Subject to rider conditions. See your plan administrator for more information.

Why should I buy coverage now?
- It’s more affordable when you’re younger. Once you’ve bought coverage, your cost stays the same as long as you keep it.
- The cost is conveniently deducted from your paycheck.
- Whole life gives you valuable protection in addition to any term life insurance you might have.

What else can I add?
An Accidental Death Benefit
This increases the payment your family would receive if you die from a covered accident before age 70.

- Available for you and your spouse, age 15-65
- Doubles the death benefit, which could add up to $150,000 extra coverage

This option will increase your cost.
When you buy life insurance, you name the people who will receive the money from the policy when you die. These people are called beneficiaries. Unum will pay benefits to the beneficiaries in one lump sum; however, if a beneficiary is a minor (typically younger than 18, but this may vary by state) and no financial guardian has been appointed, the benefits will be paid to that minor through a Unum Retained Asset Account. A Unum Retained Asset Account is a fund held in Unum's general account for the named minor beneficiary. The account accrues interest regardless of Unum's actual investment performance, and, while not FDIC insured, the account funds are fully guaranteed by Unum. For more information about the retained asset account, please contact Unum.

*The policy accumulates cash value based on a non-forfeiture interest rate of 4.5% and the 2017 CSO mortality table. The cash value is guaranteed and will be equal to the values shown in the policy. Cash value will be reduced by any outstanding loans against the policy. Eligible employees must be actively at work to apply for coverage. Employees are not considered actively at work if they are on a leave of absence.

**Effective date of coverage**

Your coverage will be effective on the first day of the month in which payroll deductions begin.

**Exclusions**

Life Insurance benefits will not be paid for deaths caused by suicide. If within two years from the policy effective date, the insured commits suicide, whether sane or insane, Unum will not pay the death benefit. The amount payable by us in place of all other benefits, shall be the sum of premiums paid, without interest, less the sum of any debt and the cost of any riders.

**Termination of coverage**

All coverage under this policy will terminate on the earliest of the following:

- Written request by you to terminate the policy,
- The insured dies,
- The policy matures; or
- The loan value exceeds the guaranteed cash value of this policy.

This information is not intended to be a complete description of the insurance coverage available. The policy or its provisions may vary or be unavailable in some states. The policy has exclusions and limitations which may affect any benefits payable. For complete details of coverage and availability, please refer to Policy Form L-21848 et al. or contact your Unum representative.

Unum complies with state civil union and domestic partner laws when applicable.
