Section 10.010.1 Agency Compact

COMPACT BETWEEN MISSOURI AND ILLINOIS CREATING THE BI-STATE DEVELOPMENT AGENCY AND THE BI-STATE METROPOLITAN DISTRICT.

The states of Missouri and Illinois enter into the following agreement:

ARTICLE I

They agree to and pledge each to the other faithful cooperation in the future planning and development of the Bi-State metropolitan district, holding in high trust for the benefit of its people and of the nation the special blessings and natural advantages thereof.

ARTICLE II

To that end the two states create a district to be known as the “Bi-State Metropolitan Development District” (herein referred to as “The District”) which shall embrace the following territory: The city of St. Louis and the counties of St. Louis and St. Charles and Jefferson in Missouri, and the counties of Madison, St. Clair, and Monroe in Illinois.

ARTICLE III

There is created “The Bi-State Development Agency of the Missouri-Illinois Metropolitan District” (herein referred to as “The Bi-State Agency”) which shall be a body corporate and politic. The Bi-State agency shall have the following powers:

- (1) To plan, construct, maintain, own and operate bridges, tunnels, airports and terminal facilities and to plan and establish policies for sewage and drainage facilities;
- (2) To make plans for submission to the communities involved for coordination of streets, highways, parkways, parking areas, terminals, water supply and sewage and disposal works, recreational and conservation facilities and projects, land use pattern and other matters in which joint or coordinated action of the communities within the areas will be generally beneficial;
- (3) To charge and collect fees for use of the facilities owned and operated by it;
- (4) To issue bonds upon the security of the revenues to be derived from such facilities; and, or upon any property held or to be held by it;
- (5) To receive for its lawful activities any contributions or moneys appropriated by municipalities, counties, state or other political subdivisions or agencies; or by the federal government or any agency or officer thereof;
- (6) To disburse funds for its lawful activities, and fix salaries and wages of its officers and employees;

(7) To perform all other necessary and incidental functions; and

(8) To exercise such additional powers as shall be conferred on it by the legislature of either state concurred in by the legislature of the other or by act of congress.

No property now or hereafter vested in or held by either state, or by any county, city, borough, village, township or other political subdivision, shall be taken by the Bi-State agency without the authority or consent of such state, county, city, borough, village, township or other political subdivision, nor shall anything herein impair or invalidate in any way any bonded indebtedness of such state, county, city, borough, village, township or other political subdivision, nor impair the provisions of law regulating the payment into sinking funds of revenues derived from municipal property, or dedicating the revenues derived from any municipal property to a specific purpose.

Unless and until otherwise provided, it shall make an annual report to the governor of each state, setting forth in detail the operations and transactions conducted by it pursuant to this agreement and any legislation there under.

Nothing contained in this compact shall impair the powers of any municipality to develop or improve terminal or other facilities.

The Bi-State agency shall from time to time make plans for the development of the district; and when such plans are duly approved by the legislatures of the two states, they shall be binding upon both states with the same force and effect as if incorporated in this compact.

The Bi-State agency may from time to time make recommendations to the legislatures of the two states or to the Congress of the United States, based upon study and analysis, for the improvement of transportation, terminal, and other facilities in the district.

The Bi-State agency may petition any interstate commerce commission (or like body), public service commission, public utilities commission (or like body), or any other federal, municipal, state or local authority, administrative, judicial or legislative, having jurisdiction in the premises, for the adoption and execution of any physical improvements, change in method, rate of transportation, system of handling freight, warehousing, docking, lightering, or transfer of freight, which, in the opinion of the Bi-State agency, may be designed to improve or better the handling of commerce in and through the district, or improve terminal and transportation facilities therein. It may intervene in any proceeding affecting the commerce of the district.

ARTICLE IV

The Bi-State agency shall consist of ten commissioners, five of whom shall be resident voters of the state of Missouri and five of whom shall be resident voters of the state of Illinois. All commissioners shall reside within the Bi-State district, the Missouri members to be chosen

by the state of Missouri and the Illinois members by the state of Illinois in the manner and for the terms fixed by the legislature of each state except as herein provided.

ARTICLE V

The Bi-State agency shall elect from its number a chairman, a vice chairman, and may appoint such officers and employees as it may require for the performance of its duties, and shall fix and determine their qualifications and duties.

Until otherwise determined by the legislatures of the two states no action of the Bi-State agency shall be binding unless taken at a meeting at which at least three members from each state are present, and unless a majority of the members from each state present at such meeting shall vote in favor thereof. Each state reserves the right hereafter to provide by law for the exercise of the veto power by the governor thereof over any action of any commissioner appointed there from.

Until otherwise determined by the action of the legislature of the two states, the Bi-State agency shall not incur any obligations for salaries, office or other administrative expenses, prior to the making of appropriations adequate to meet the same.

The Bi-State agency is hereby authorized to make suitable rules and regulations not inconsistent with the constitution or laws of the United States or of either state, or of any political subdivision thereof, and subject to the exercise of the power of congress, for the improvement of the district, which when concurred in or authorized by the legislatures of both states, shall be binding and effective upon all persons and corporations affected thereby.

The two states shall provide penalties for violations of any order, rule or regulation of the Bi-State agency, and for the manner of enforcing same.

ARTICLE VI

The Bi-State agency is authorized and directed to proceed with the development of the district in accordance with the articles of this compact as rapidly as may be economically practicable and is vested with all necessary and appropriate powers not inconsistent with the constitution or the laws of the United States or of either state, to effectuate the same, except the power to levy taxes or assessments.

It shall render such advice, suggestion and assistance to all municipal officials as will permit all local and municipal improvements, so far as practicable, to fit in with the plan.

ARTICLE VII

In witness thereof, we have hereunto set our hands and seals under authority vested in us by law.

Section 10.010.3 Compact Amendment: Safety and Order

Power to employ persons to enforce rules--power of personnel, jurisdiction--issuance of citation--procedure upon arrest-- training--agency may adopt rules--violation of rules, penalty.—

1. The Bi-State Development Agency shall have the power to employ or appoint personnel to maintain safety and order and to enforce the rules and regulations of the agency upon the public mass transportation system, passenger transportation facilities, conveyances, and other property that the agency may own, lease, or operate, except Bi-State may only employ peace officers through contracts with law enforcement agencies within the Bi-State service area. The board of commissioners of the Bi-State Development Agency shall determine the qualifications and duties of such personnel, subject to the limitations set forth in this section.

2. All persons designated under subsection 1 of this section by the Bi-State Development Agency to serve as personnel shall have the power to give warnings or to issue citations for violations of the rules and regulations of the agency and for any violation of section 70.441* (or a similar section under Illinois law) to request identification from those violators, and to remove those violators from the passenger transportation facilities or other property owned, leased or operated by the agency. All contracted personnel who are certified as peace officers shall also have the power to detain and to make arrests for the purpose of enforcing the rules and regulations of the agency and the provisions of section 70.441* (or a similar section under Illinois law). The personnel designated by the Bi-State Development Agency under subsection 1 of this section are authorized to use only the equipment that is issued by the agency, and only while in the performance of their duties or while in direct transit to or from a duty assignment on the passenger transportation facilities and conveyances owned, controlled, or operated by the agency. No personnel shall be issued any weapons, which can cause bodily harm.

3. The jurisdiction of the personnel designated by the Bi-State Development Agency under subsection 1 of this section shall be limited to passenger transportation facilities and conveyances (including bus stops) owned, controlled, or operated by the agency, but this restriction shall not limit the power of such persons to make arrests throughout the area in which the agency operates any public mass transportation system for violations committed upon or against those facilities from within or outside those facilities while such personnel are in hot or close pursuit of the violator. Nothing contained in this section shall either:

(1) Relieve either signatory state or any political subdivision or agency of those states from its duty to provide police, fire, and other public safety service and protection;
or

(2) Limit, restrict or interfere with the jurisdiction of or the performance of duties of existing police, fire, and other public safety agencies.

4. A citation issued by personnel designated under subsection 1 of this section shall be considered a release on the personal recognizance of the violator, provided that

the citation shall contain a time and date for the appearance of the violator in circuit court to contest or admit the charges. Any violator failing to appear in circuit court when required to do so shall be subject to arrest upon order of the court. The circuit court may establish a schedule for the amount of fines for violations of section 70.441 (or a similar section under Illinois law). The court shall allow for the payment of the fine and court costs by mail instead of a court appearance for a violation in which the only penalty authorized by this section or section 70.441 is a fine.

5. Those designated as personnel under subsection 1 of this section shall, upon the apprehension or arrest of any person, either issue a summons or citation against the person or deliver the person to the duly constituted police or judicial officer of the signatory state or political subdivision where the arrest is made, for disposition as required by law.

6. The Bi-State Development Agency shall provide for the training of personnel designated under subsection 1 of this section by the agency, and for this purpose the agency may enter into contracts or agreements for security training. The training requirements for personnel of the agency that are given the power of arrest shall be as provided by state law and by regulation of the state agency or official designated by the state to establish those regulations.

7. The Bi-State Development Agency shall have the power to enter into agreements with the signatory states, their political subdivisions, the public safety agencies located in those states, and agencies of the federal government for mutual assistance and for the delineation of the functions and responsibilities between those designated as personnel under subsection 1 of this section and the duly constituted police, fire and other public safety agencies.

8. The Bi-State Development Agency shall have the power to adopt rules and regulations for the proper operation of its passenger transportation facilities and conveyances and for the proper conduct by all persons making use of its facilities and conveyances, including its parking lots and all property used by the public. Notwithstanding the provisions of article V of the compact creating the Bi-State Development Agency, any rules and regulations adopted under this subsection need not be concurred in or specifically authorized by the legislatures of either state. In the event that any such rules and regulations of the Bi-State Development Agency contravene the laws, rules or regulations of a signatory state or its agency, the laws, rules and regulations of the signatory state or its agency shall apply, and the conflicting portions of the rules or regulations of the Bi-State Development Agency shall be void within the jurisdiction of that signatory state. In the event that any rules or regulations of the Bi-State Development Agency contravene the ordinances of any political subdivisions of the signatory states, the conflicting ordinances shall be void in or upon all agency passenger transportation facilities and conveyances. The rules and regulations of the Bi-State Development Agency shall be uniform whenever possible throughout the area in which any passenger transportation facility or conveyance of the agency is located. The rules and regulations, and the amounts of fines for their violation adopted by the Bi-State Development Agency shall be adopted by the agency's board of commissioners in accordance with all standards of due process, including, but not limited to, the holding of public hearings and subsequent publication of the agency rules and regulations and the

amounts of fines for their violation in a manner designed to make them readily available to the public.

9. Unless a greater penalty is provided by the laws of the signatory states, any violation of the rules and regulations of the agency shall constitute an infraction for which the authorized punishment shall be a fine of not less than twenty-five dollars and not greater than two hundred fifty dollars, in addition to court costs.

10. The board of commissioners of the Bi-State Development agency shall establish the amount of fines for each violation of the rules and regulations of the agency within the limits of subsection 9 of this section.

11. Judges and clerks of the circuit courts having jurisdiction in the signatory states shall have the authority to impose, collect and enforce penalties for, and for failure to pay fines for, violations of the rules and regulations of the agency in the same manner as penalties are imposed, collected and enforced in the respective signatory states.

ARTICLE IX – INDEMNIFICATION

A. The Agency shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit, or proceeding, whether civil, criminal, administrative or investigative (other than an action by the Agency), by reason of the fact that such person is or was a Commissioner, officer or employee of the Agency, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit, or proceeding if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the Agency, and, with respect to any criminal action or proceeding, had no reasonable cause to believe such person's conduct was unlawful. The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that such person did not act in good faith and in a manner which such person reasonably believed to be in or not opposed to the best interests of the Agency, and, with respect to any criminal action or proceeding, had reasonable cause to believe that such person's conduct was unlawful.

B. The Agency shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by the Agency to procure a judgment in its favor by reason of the fact that such person is or was a Commissioner, officer or employee of the Agency, against expenses, including attorneys' fees, and amounts paid in settlement actually and reasonable incurred by such person in connection with the defense or settlement of the action or suit if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the Agency; except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of such person's duty to the Agency unless and only to the extent that the court in which the action or

suit was brought determines upon application that, despite the adjudication of liability and in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper.

C. To the extent that a Commissioner, officer or employee of the Agency has been successful on the merits or otherwise in defense of any action, suit, or proceeding referred to in such paragraphs A and B, or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses, including attorneys' fees, actually and reasonably incurred by such person in connection with the action, suit or proceeding.

D. Any indemnification under such paragraphs A and B hereinabove, unless ordered by a court, shall be made by the Agency only as authorized in the specific case upon a determination that indemnification of the Commissioner, officer or employee is proper in the circumstances because such person has met the applicable standard of conduct set forth in this provision. The determination shall be made by the Board, by those Commissioners who were not parties to the action, suit, or proceeding.

E. Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid by the Agency in advance of the final disposition of the action, suit, or proceeding as authorized by the Board in the specific case upon receipt of an undertaking by or on behalf of the Commissioner, officer or employee to repay such amount unless it shall ultimately be determined that such person is entitled to be indemnified by the Agency as authorized in this provision.

F. The indemnification provided hereunder shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any other bylaw or any agreement, vote of disinterested Commissioners or otherwise, both as to action in such person's official capacity and as to action in another capacity while holding such office, and shall continue as to such person who has ceased to be a Commissioner, officer or employee and shall inure to the benefit of the heirs, executors and administrators of such person.

G. The Agency shall provide any further indemnity, in addition to the indemnity authorized or contemplated under other paragraphs hereof, including subparagraph F, to any person who is or was a Commissioner, officer or employee; and provided further that no such indemnity shall indemnify any person from or on account of such person's conduct which was finally adjudged to have been knowingly fraudulent, deliberately dishonest or willful misconduct. The determination as to whether to increase the limits of said indemnification in any case shall be in the sole judgment and discretion of the Board and in no event shall the Board be required to increase such indemnification.

H. The Agency may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit, or proceeding, whether civil, criminal, administrative or investigative (other than an action by the Agency, by reason of the fact that such person is or was an independent contractor of the Agency), against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit, or proceeding if such

person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the Agency, and, with respect to any criminal action or proceeding, had no reasonable cause to believe such person's conduct was unlawful. The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that such person did not act in good faith and in a manner which such person reasonable believed to be in or not opposed to the best interests of the Agency, and, with respect to any criminal action or proceeding, had reasonable cause to believe that such person's conduct was unlawful.

I. The Agency may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by of the Agency to procure a judgment in its favor by reason of the fact that such person is or was an independent contractor of the Agency, against expenses, including attorneys' fees, and amounts paid in settlement actually and reasonably incurred by such person in connection with the defense or settlement of the action or suit if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the Agency; except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of such person's duty to the Agency unless and only to the extent that the court in which the action or suit was brought determines upon application that, despite the adjudication of liability and in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper.

J. To the extent that an independent contractor of the Agency has been successful on the merits or otherwise in defense of any action, suit, or proceeding referred to in paragraph H, or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses, including attorneys' fees, actually and reasonable incurred by such person in connection with the action, suit or proceeding.

K. Any indemnification under paragraph H herein above, unless ordered by a court, shall be made by the Agency only as authorized in the specific case upon a determination that indemnification of the independent contractor is proper in the circumstances because such person has met the applicable standard of conduct set forth in this provision. The determination shall be made by the Board, by those Commissioners who were not parties to the action, suit, or proceeding.

L. Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid by the Agency in advance of the final disposition of the action, suit, or proceeding as authorized by the Board in the specific case upon receipt of an undertaking by or on behalf of an independent contractor to repay such amount unless it shall ultimately be determined that such person is entitled to be indemnified by the Agency as authorized in this provision.

M. The indemnification provided herein shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any other bylaw or any agreement, vote of disinterested Commissioners or otherwise, both as to action in such persons'

official capacity and as to action in another capacity while holding such office, and shall continue as to such person who has ceased to be an independent contractor and shall inure to the benefit of the heirs, executors and administrators of such person.

N. The Agency shall provide any further indemnity, in addition to the indemnity authorized or contemplated under other paragraphs hereof, including subparagraph M, to any person who is or was an independent contractor; and provided further that no such indemnity shall indemnify any person from or on account of such person's conduct which was finally adjudged to have been knowingly fraudulent, deliberately dishonest or willful misconduct. The determination as to whether to increase the limits of said indemnification in any case shall be in the sole judgment and discretion of the Board and in no event shall the Board be required to increase such indemnification.
