Note: BSD medical coverage through CIGNA automatically becomes secondary to Medicare when a retiree or covered spouse becomes eligible, regardless of age, so you must elect Medicare when first eligible. Otherwise, CIGNA will deny claims until they have first been processed by Medicare. BSD is not notified of Medicare eligibility so it is the retiree's responsibility to notify BSD and provide a copy of their Medicare card. **Upon receipt of a copy of the primary insured's Medicare card showing coverage in both Part A and Part B, BSD will adjust the monthly contribution amount to the lower Medicare premium.**
